SOFTWARE ENGINEER & UI/UX DESIGN
EXPERT

PROFILE

UI/UX-focused Software Engineer with hands-on experience designing user-friendly digital products. Currently leading UX for a US-based organization remotely, combining design thinking with front-end development to build interfaces that are clean, functional, and easy to use.

EXPERIENCE

UX Lead Digital Expert

Yaqeen Institute · Texas, USA (Remote) | 2026 – Present

Leading UI/UX design for the organization's websites and digital products. Responsible for product design, building user-friendly interfaces, and coordinating with the team to continuously improve digital experiences.

EDUCATION

Self-Taught Designer & Developer

Continuous professional learning in UI/UX Design and Front-End Development through independent study and applied project work.
